“Hold close to your heart that we are the body of Christ,
in the one Spirit we are baptised into one body –
even when we are separated by necessity.

4) SUNDAY 7TH FEBRUARY 10AM: Joy says she will host and lead a service of Morning Prayer for St Mary's via Zoom next Sunday 7th February at **10am** (not 10.30) for anyone who would like to join in....the link will come out next week.

It may not happen every week, but we can give it a go.....Brian and Jo thought it was a good idea! Please can everyone who can possibly to so, try it out. We need to give Joy some encouragement!

It is amazing that the use of Zoom, Facetime and Whatapp have been so useful to us over the last year. It's remembering to log on at the appropriate time that is the challenge in this house

NEWS FROM OUR VIRTUAL PEWS

5) TED CURTIS

Would you please remember Ted Curtis in your prayers. Ted was a faithful and much loved member of our congregation until he returned to Sydney a couple of years ago. He is currently in hospital with a lymphoma on the brain but the good news is that his doctors have told him that it is curable. He retains great affection for the people of St Mary's and would appreciate their support at this time for both himself and his family.

6) EVELYN LAWSON. Liz Robbins writes: Evelyn moved away from the parish just over a year ago and is in a Nursing Home near Bristol. Her health is very up and down but over the Christmas period she was cheerful and sent wishes to everyone. She is not able to have visitors due to Coronavirus. Liz phones her on a regular basis and early in January Evelyn was very happy having had her 'Jab' and saying she was definitely in the best place having the company of other residents. Unfortunately her daughter now says that

Evelyn had tested positive for Coronavirus and is very poorly. Let's all pray and hope she can recover.
